Hi, General. Long time, no talk! Hope this email finds you well. Quick question and favor: Several of our trustees (especially two out of town family members) have requested a meeting for the purpose of getting updated on the crime issue in Memphis. Barbara thought it might be good to do it as a special session after our board meeting on November 9. Of course, we'd like to include you as well as get your advice on other members. Might you be available and also be willing to help us think about the structure of the conversation and others we could should include in this briefing? As always, many thanks for your partnership. Sure hope our paths cross soon. Miss you!

Best,  
Teresa
